Old Business:

Ron Sutton Jr. reported on progress with AT&T. This is currently on hold as we look into upgrading our Comcast since we have the lowest amount. If we upgrade Comcast to what we need for Internet it would cost \$415.00 per month, but it would align with a business account, which Comcast considers the fire company. We are still looking into this at this time. Also, anyone who uses WiFi or Internet would not need our fire company password. It would be a public internet.

Mark reported on progress with the 12 new Safety Vests ordered from National Highway Products. The vests have been shipped, but the company server was down so they can't track the location of the vests, but they should be here shortly.

New Business: Cheryl Sayers stated that a Temporary Budget of 14% of 2026 Budget was needed. This will cover 1 January 2026 thru 21 February 2026 until voters approve the new budget in February's Election.

Ron Hundt Sr. made a motion to approve and Ron Sutton Jr. made a second.

Cheryl Sayers presented a new contract with her firm for 2026 for conducting our affairs. The monthly rate will rise by \$20.00 to \$395.00. Mark Sheppard told Cheryl that her company has greatly assisted the Fire Commissioner's office. All members voted to approve the contract, and Chairman Cliff Sharp signed the contract on behalf of the board.

Chery Sayers reminded the board that Cliff Sharp and Ronald Sutton Jr. are up for election in February.

Chiefs Comments:

Chief Donald Hundt Sr. reported that he has finally got some invoices from Cumberland County for fire training classes, but there are still some yet to be finalized. He will contact them tomorrow so they can be paid before the end of the year. Don also reported that the seal on the large diameter valve on 1201 still has not been repaired by the company it was sent to for repairs. The valve from 1202 was transferred to 1201 until repairs are made.

Public Portion:

The meeting was opened to the public and Steve Solof from Informed The Vote NJ spoke on the upcoming fire elections in February and he would be available if anyone had questions about the election process. No one else chose to speak. The meeting adjourned at approximately 6:55.p.m.
